FOLDING TABLES

CE

CE, a range of high-performance tables that combines a stylish and minimalistic look with functionality. A sleek table design that fuses metal and wood together in a distinct manner perfectly. A collection that redefines the classic folding table into a piece of furniture that stands out on its own.

TRANSFORM YOUR ROOM WITH TABLES THAT HAVE THE FLEXIBILITY TO QUICKLY TRANSITION THE SPACE INTO FUNCTIONAL, PURPOSEFUL AND PRODUCTIVE AREAS

TABLES THAT EVOLVE WITH CHANGING CUSTOMER REQUIREMENTS

A contemporary and innovative folding table solution for banquet, conference, conventions, catering, events, and meeting rooms. A user-friendly series that is easy to move, set up, reconfigure, and stack for easy storage. Manufactured using quality materials, the table frames are powder coated and offered in a wide range of table top options. Available in a variety of shapes and sizes, CE provides the strength and durability required for commercial contract use. Without the need for tablecloths, this multi-functional range reduces your operating costs and are virtually maintenance free. A table series that proves that less is definitely more.
